

September 22, 2026 – Superintendent's Report

ADMINISTRATIVE UPDATE:

The Utility is seeking approval of Amendment No. 1 to Task Order No. 26 for the Water Main Replacement Project with Wessler Engineering for a Not to Exceed amount of \$345,000.00 for Construction Administration and Resident Project Representative (RPR) services on the project. Project Area: E 46th Street, Glicks at 42nd Street, and Roses of Lawrence neighborhoods. The Water Main Replacement Project Notice of Award (NOA) to Miller Pipeline was approved by the board at the September 8, 2026 meeting.

The 46th & Post Road (Lift Station 26 Basin) Inflow & Infiltration Elimination Project continues on schedule to meet the substantial and final completion dates in the project agreement currently. Nothing out of the ordinary to report.

The current plan is to take the USB recommendations for the Water and Sanitary Sewer Rate Increases to the Council at the October 5, 2026 meeting.

Account Adjustments: None
