Lawrence, IN 46216

Re: Task Order No. 6 – Wellhead 7-R Easement Stake

Dear Mr. Wanner:

Task Order No. 6 is a supplemental Task Order under the terms and conditions of the Agreement between the Utility Service Board and Egis BLN USA, Inc. dated October 25, 2022. The scope of services includes the field work as required for the easement staking. The anticipated survey limits are as follows:

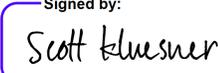

Wellhead 7-R Easement Area

- 250 feet from the easement area around wellhead 7-R will be staked at its 40-foot width.

It is proposed that these services be paid for on a lump sum basis in the amount of two thousand three hundred and five dollars (\$2,305.00). If you are in agreement, please sign below. Your signature will constitute our notice to proceed with the work.

Very truly yours,

Egis BLN USA, Inc.
