§ 2-1-4-5. INSURANCE REQUIREMENTS.

(A) The insurance requirements of this chapter are met if the listed or licensed contractor secures and maintains insurance covering all construction activity accomplished by the contractor or under any permit obtained by the contractor, the insurance to include:

(1) A public liability and property damage insurance policy insuring the contractor and naming the City of Lawrence as an additional insured, providing for the payment of any liability imposed by law on the contractor or the City of Lawrence arising out of operations performed by or on behalf of the listed or licensed contractor in minimum amounts of:

(a) \$500,000 for any occurrence relative to which there is injury or death to one or more persons if the contractor has its principal office and place of business in the State of Indiana, or in the amount of \$1,000,000 if the contractor has its principal office and place of business outside the State of Indiana; and

(b) \$100,000 for any occurrence relative to which there is damage to property if the contractor has its principal office and place of business in the State of Indiana, or in the amount of \$500,000 if the contractor has its principal office and place of business outside the State of Indiana.

(2) Worker's compensation insurance covering the personnel covered by the listed or licensed contractor for death or injury arising out of operations performed by or on behalf of the contractor, provided that this provision shall not apply if the contractor has no employees and gives appropriate notice to the Building Commissioner.

(B) The insurance policies described in division (A) above shall require the insurance carrier to give notice both to the listed or licensed contractor and to the Building Commissioner at least 15 days before the insurance is either canceled or not renewed, and the certificate shall state this obligation.

(Am. Ord. 3, 2011, passed 6-6-2011)

§ 2-1-1-10. PERMIT REQUIRED; APPLICATIONS.

(A) No person, firm or corporation shall erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish any building, structure or property in the City, or cause the same to be done, the cost of which exceeds \$1,500, without first obtaining a separate building permit for each building, structure or property from the Building Commissioner.

(B) All permits shall be issued by the Building Commissioner and all fees provided for herein shall be paid to the Building Commissioner's office.

(C) To obtain a permit, the applicant, before beginning construction, shall file an application therefor with the Building Commissioner, in writing on a form furnished for that purpose by the Building Commissioner.

Every application shall:

- (1) Describe the land on which the proposed work is to be done by lot, block, tract and house and/or street address or similar description that will readily identify and definitely locate the proposed building or work;
- (2) Show the use or occupancy of all parts of the building;
- (3) State the name and address of the individual or company contracted to do the work as well as the owner of the building and/or land;
- (4) State the valuation of the proposed work; and
- (5) Give other information as may be reasonably required by the Building Commissioner.
