

HOW TO APPLY, PAY AND PRINT A PERMIT

APPLY FOR A PERMIT

1. Visit the Department of Public Works page on the City of Lawrence website at: <http://www.cityoflawrence.org/public-works>
2. Click on the box on the top row "APPLY & PAY FOR PERMITS"

Before you apply for a permit you are going to need to know the property address and parcel number:

3. To obtain the parcel number click the link provided on the top of the Permits page. (<https://beacon.schneidercorp.com/Default.aspx?site=CityofLawrenceIN>)

- Enter your property address under the "Address Search" box and click on search.

5. Input the address and the Alternate Id number and click "CONTINUE"
 - If the Alternate ID does not work, try using the "Parcel ID" (highlighted in blue in step 3). If it still does not work, contact DPW at 317-545-8787.
6. Select Permit Type
7. At this time the Contractor portal is not ready for use so all permits must be entered as if the property owner is applying. If using a Contractor, enter their information. If they are registered with the City of Lawrence, the company name will automatically populate as you type. In some cases the Contractor name is either not showing up or will delete when trying to select it. If this happens, just enter the Contractor's information into the Comments section and the DPW Staff will fix it on our end.
8. Complete all other required fields.
9. If you have supporting documents to submit be sure to check the box "I have documents to include with this permit request" and press "Continue" to upload your documents. After uploading the documents the system may continue to spin and give the impression that the documents did not attach; they did! Go ahead and continue to the next step.
10. Check the Terms and Conditions box and continue to submit you permit applications
11. DPW staff will review your application and process for issuance.
12. Check back in 2-3 business days to see if your permit has been released for construction and proceed to the PAY FOR YOUR PERMIT outlined below.
13. If additional information is required an email will be forwarded to the applicant within 2-3 business days.
