

September 24, 2019 – Superintendent’s Report

ADMIN UPDATE:

The Utility is seeking approval of Pay Application #22 for Graves Plumbing in the amount of \$386,198.00. The contractors are finishing up the last of the items from our recent substantial completion punch list and we anticipate losing this project out soon.

There are also documents related to the Franklin Road water main project requiring signature by the Board President. The official start time for this project will be October 1.

The Wellfield Improvements Project is close to being done and the final inspection related to the ILP-required wellhead protection measures was completed on Monday the 16th. There were no deficiencies noted.

The 46th Street water main extension project is almost completed. The water main has been installed and testing has begun.
