## *“Keep Lawrence Construction Sites Clean”*

**COMPANY NAME:**

**NAME OF PROJECT:**

**ADDRESS OF PROJECT:**

The undersigned owner/developer/contractor/subcontractor/builder (undersigned) agrees that throughout the construction phases of the above-referenced project every effort will be made to reduce unwarranted debris such as silt, mud, and stone from depositing and accumulating on public streets during normal and adverse conditions. Further, the undersigned agrees to make every effort necessary to prevent debris from entering a storm sewer system. The City of Lawrence acknowledges that inclement weather and other extenuating circumstances may cause the job site to be temporarily adversely affected. However, the undersigned agrees to make every effort to prevent tracking of debris and will, as soon as possible and not to exceed ten (10) days, remove the debris tracked on public roads as a result of the adverse conditions.

The undersigned agrees to make all entities working on the site aware of the “Keep Lawrence Construction Sites Clean” agreement and demand all entities working on the site to maintain clean sites. The undersigned shall relay the stipulations of the agreement to all sub-contractors.

The undersigned agrees to allow the City of Lawrence to review the job site upon project completion, and submit a “Keep Lawrence Construction Sites Clean” inspection pertaining to site cleanliness. The undersigned hereby agrees to take the necessary steps to immediately clean areas so designated by the City of Lawrence official.

The undersigned agrees to remove any offending debris as immediately as practicable and within than two (2) calendar days after the occurrence. If it becomes necessary, a city inspector may issue a “Stop Work” notice. Such notice will specify the area to be considered in violation of the spirit of the agreement, will provide a recommended reasonable remedy, and may include an amount of fine levied against the undersigned. The undersigned further acknowledges that under the City of Lawrence Municipal Code (Code), fines in an amount not to exceed two thousand five hundred dollars (\$2,500.00) per day may be levied upon the undersigned for continual failure to comply with the requirements of the “Stop Work” notice and/or Code. Additionally, the undersigned acknowledges that nothing in this agreement shall limit the jurisdiction of the Indianapolis Air Pollution Control Board, Regulation II-4 entitled “Air-Borne Particulate” or any other applicable regulatory agency.
