Lawrence, IN 46226

Re: Indiana Clean Community Program

Dear Mayor Whitfield:

I am pleased to welcome the City of Lawrence as a Bronze Member in the Indiana Clean Community Program. Thank you for your commitment to environmental leadership. Your efforts help improve the quality of life for Hoosiers, one community at a time.

By being an Indiana Clean Community Program member, the City of Lawrence is distinguished as one of a select group of cities, towns, and counties across Indiana willing to go above-and-beyond environmental requirements by implementing voluntary projects, committing to continuous improvement, and meeting stringent requirements for membership. This commitment also moves Indiana towards a balanced future of economic success and a cleaner Indiana for all Hoosiers.

The City of Lawrence is officially designated as a Bronze Level Indiana Clean Community. We are committed to working closely with you and the other Clean Communities to promote sustainability and provide communities with the resources they need to achieve success.

I encourage you to promote your Clean Community accomplishments and to identify new environmental commitments and efficiency opportunities. If you have any questions, please do not hesitate to contact our Clean Community Program Manager, Missy Shaber, at Clean@idem.IN.gov. Congratulations on your achievement as an Indiana Clean Community and thank you for your exceptional environmental leadership!

Sincerely,

Clint Woods
Commissioner
